CAREER Resources

TRiO Student Support Services will continue to provide **career, internship, summer job, and under graduate school information** to students.

Periodically, we will be sending you career news through this newsletter format. We encourage you stop by Student Services Office to see any of our TRiO staff in the “B” wing and check out our career files or call 335-4220.

New at Leech Lake Tribal College is the Minnesota Career Information System (MCIS). You can log in anytime anywhere by visiting: <http://mncis.intocareers.org/>. Enter the **Username: LLTC** and **Password: work**. After logging in under LLTC, go to **Create “My MCIS,”** here you will be able to save and change your personal information. Please remember to log in under your own username and password every time after or your results/other personal information will not be saved.

Resources available at MCIS include, Career Assessment Tests, Financial Aid Grant and Scholarship Information, 4-Year University and College, Resume Builders, Occupations and Career Fields, and more!

TRiO Student Support Services

What can TRiO do for you?

TRiO provides the opportunity to work one-on-one with each student. With our program only serving one hundred sixty students, our staff will get to know each student on a first name basis.

- TRiO counselors help you set and achieve academic goals
- One-on-one, or group tutoring is available to students
- Personal, academic and career counseling
- Classes and workshops
- Cultural enhancement

Whom does TRiO serve?

Under guidelines set by Congress, two-thirds of the students that are served come from families with incomes under \$24,000, with neither parent having a four-year college degree. The other one-third of the program could serve students who do not meet the criteria. Anyone who is a US citizen can apply.

For those interested in the services that TRiO offers and who would like further information, please contact the Student Services Office in the B-Wing of the campus.

Students with Disabilities

TRiO assists with the documentation and accommodations needed for students with disabilities. Accommodations are made for students with documented disabilities.

Please contact the TRiO office at 218-335-4220 for more information regarding accommodations.

If you feel you have a disability, but do not have documentation you may also contact us via e-mail: camille.naslund@lltc.edu

TRiO Purpose

The purpose of the TRiO program at the Leech Lake Tribal College is to increase recruitment, retention, graduation and transfer rates. Students in TRiO Student Support Services are twice as likely to remain in college as those students from similar backgrounds who do not participate in the program.

What is TRiO?

The TRiO program is funded by the U.S. Department of Education, under Title IV of the Higher Education Act of 1965. It is one of a series of programs to help overcome class, social, and cultural barriers that hinder many students from succeeding in higher education. TRiO programs are designed to offer educational opportunities for low income, first generation, and/or physically/mentally disabled Americans.
