American Indian Higher Education Consortium American Indian Measures for Success (AIHEC-AIMS)

AIMS Key Indicator System 2012 (AKIS 2012)

The AIHEC American Indian Measures for Success (AIHEC-AIMS) project has two goals: 1) to define relevant quantitative and qualitative indicator data of American Indian student success, as determined by the tribal colleges, and 2) to develop and implement a strategy for collecting, analyzing, and presenting annually the success indicator data using electronic information management tools. Through data collection and analysis, this project provides the foundation for systemic reform that significantly increases - and for the first time, accurately measures - American Indian success in higher education.

At the spring 2004 meeting, the AIHEC Board of Directors passed the following resolution in support of the AIHEC-AIMS project:

“The AIHEC Board of Directors should take an active role in the development of a definition of Tribal College and University student success and should support the AIHEC-Lumina initiative. Further, each Tribal College should participate, to the maximum extent possible, in all activities associated with the initiative.”

AKIS was developed under the guidance of the AIMS Advisory Panel and Tribal College and University presidents and registrars. AIHEC would like to express its appreciation for the time and effort given during the development of the instruments.

AKIS 2012 consists of two parts:

Part A: Quantitative Indicators (Microsoft Excel®)

Part B: Qualitative Indicators (Microsoft Word®)

Thank you in advance for your participation in the AIHEC-AIMS project! Please complete AKIS 2012 by **December 14, 2012**.

If you have any questions regarding AKIS 2012, please contact Katherine Page by email at kpage@aihec.org or by phone at (703) 838-0400 x105.

INSTRUCTIONS

Please enter information in white cells only.

Do not change anything in the colored cells.

Sheets may be copied and distributed to appropriate staff. If you copy and distribute sections, be aware that formulas may be affected.

One person should be responsible for transferring information from distributed spreadsheets to the master spreadsheet, if applicable. Copy only information from uncolored boxes, and paste only into uncolored boxes. Check the data to be sure they make sense.

There should be information in **every** uncolored box. **Do not leave any blanks.**

Zero is an important value! 0 = zero; actual value is zero

Only three abbreviations should be used when a number cannot be entered:

m = missing; not available; lost; unable to calculate

NA = not applicable; does not apply

NO = not offered

If a response is "NA" or "missing," **explain why** in the Notes section, located at the bottom of each page. Include any other additional information in the Notes section.

Please complete AKIS 2012 by **December 14, 2012** and send it to AIHEC **via e-mail to kpage@aihec.org** or **via U.S. mail on a CD** along with your **photos, photo description sheet, and AKIS 2012 Part B.**

NOTES											
LLTC in 2011-2012 converted Student Data Management Systems from CAMS to Jenzabar. As a result 2010-2011 will represent modified student retention data. In 2010-2011 and moving forward, LLTC will be reporting cohort based numbers. The 2009-2010 data is unavailable. In the past, transfer students were not included in the definition of "first time students" at LLTC and were therefore, not being counted.
