Science Degree

The Associate of Applied Science degree provides the opportunity for students to study more in-depth in one subject area such as Business Management, Law Enforcement, or Integrated Residential Builder. Students who choose this option are not primarily interested in transferring into a four-year degree program, but in entering the job market immediately upon completion of the A.A.S. degree. However, some of the courses may transfer into a four-year degree program.

EMS First Responder needed.

POST Skills Training (Hibbing Community College) Required to qualify for MN Peace Officers Exam (12 credits)

Law Enforcement careers may include:

Local Police Officer

Tribal Police Officer

Deputy Sheriff

State Trooper

Criminal Investigator

Conservation Officer

Private Security

Corrections Officer

Federal Law Enforcement Agencies

Employment opportunities for Law Enforcement students are in demand. Only three states presently have the college degree requirements to be a licensed police officer, making graduates from Minnesota highly desirable in many locations around the country.
