

Financial Aid Eligibility Restrictions

Students with criminal convictions have limited eligibility for federal student aid. If you have a specific question about your eligibility status, we ask that you contact the Federal Student Aid Information Center at 1-800-433-3243.

Eligibility for Students with Criminal Convictions

While some schools grant limited eligibility for federal student aid to incarcerated students, Leech Lake Tribal College does not participate in prison education programs and cannot offer federal student aid to those currently incarcerated. You may check with your correctional facility's education director to find out if your facility has a list of schools that offer a qualifying program.

Department of Justice Drug Conviction Restriction

In instances where an individual has been convicted of a drug offense, the Department of Justice may deny access to federal student aid. Individuals who are affected by this may contact 202-377-4600 or send an email to applicationsystemsdivision@ed.gov to resolve the issue.
